DHANANJAYA HOSPITALITY • BALI

D-Max

Direct supply of Bali’s private pool villas and boutique resorts, for bedbanks, wholesalers and tour operators.

Supply partnership • 2027

WHO WE ARE

A Bali management company with its own collection

47

properties we operate and sell directly

Private pool villas and boutique resorts

one to four bedrooms, couples and families

Ubud, Tegallalang, Canggu, East Bali

the areas international guests ask for

WHAT D-MAX SUPPLIES

Inventory straight from the operator

Live availability

The same calendar our front desks and OTAs use, updated within minutes through Channex.

Instant confirmation

A booking is confirmed on the spot and reaches the property at once.

Contract pricing

Net rates per room type, or a set percentage off our public price.

Rich content

Descriptions, facilities, house rules, coordinates and photo galleries for every property.

CONNECTIVITY

One API, six calls

hotels
Static content to cache

Bookable offers at your price

prebook
Recheck before payment

book
Confirmed at once

booking
Status of a booking

cancel
Released at the property

JSON over HTTPS with an API key. A test key reads live availability without booking. Documentation: dhananjaya.id/b2b-api

DISTRIBUTION CONTROL

You choose where our rates travel

Each API key carries the channels agreed in the contract. They come back with every offer, so your system can enforce them.

Channel	Typical
Resale to other agents (B2B)	Allowed
Your own consumer website	Allowed
Inside packages only	Optional
Booking.com, Agoda, Expedia	Not allowed
Other OTAs	Not allowed
Metasearch	Not allowed

COMMERCIAL TERMS

Simple contracts, agreed once

Pricing model

Net rates per room type with seasonal periods, or a fixed percentage off our public price.

Payment

Credit facility with monthly invoicing for established partners, after a deposit or guarantee.

Cancellation

As set in your contract, returned with every offer so your guests see the same policy.

GETTING STARTED

Live in four steps

1

Sign the supply contract

2

Receive a test key and connect

3

We check a few test bookings together

4

Switch to a live key and sell
